Understanding and Intervening in the Problem of Physician Death by Suicide: Individual Risk Factor Management and Beyond

Please join us next **Tuesday, January 17, 2017** for an illuminating session exploring the epidemiology, risk factors, and potential prevention solutions of physician suicide. This session “**Understanding and Intervening in the Problem of Physician Death by Suicide: Individual Risk Factor Management and Beyond**” presented by Tracy Gunter, MD (Associate Professor of Clinical Psychiatry, Indiana University School of Medicine; Adjunct Professor of Law, Indiana University School of Law) will be offered as part of the Office of Continuing Professional Development Current Topics in Healthcare series.

**You will have two opportunities to attend this session on January 17th, 2017:
7am – 8am (CRMH 6th floor auditorium) or 12pm – 1pm (CRMH 6th floor auditorium)**

Education Grand Rounds: Clinical Teaching in a Busy Practice

TEACH and the Office of Continuing Professional Development are excited to announce the first Education Grand Rounds session for 2017. Please join us **Thursday, February 2nd**, for “**Excellent Clinical Teaching in a Busy Practice: Make the Most of Your Limited Time**” presented by Lisa Leggio, MD (Director, Pediatric Student Education at the Medical College of George at Augusta University). This session will prepare participants to use techniques for maximizing their time as a preceptor, to assimilate their learners into a busy clinical setting and to provide formative feedback.

You have three opportunities to attend this session on February 2nd:

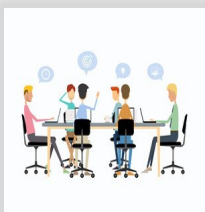

7:00 to 8:00 AM held in the CRMH 6th Floor Auditorium

12:00 to 1:00 PM held in the CRMH 6th Floor Auditorium

5:30 to 6:30 PM held in the CRMH 6th Floor Auditorium

Click [here](#) for more information.

Education Journal Club

Please join us for February’s TEACH Journal Club session led by Brock Mutcheson, MA, PhD (Director of Assessment and Program Evaluation, Virginia Tech Carilion School of Medicine) Thursday, February 23rd from 12noon – 1pm. As we work to accommodate the location needs of our diverse TEACH member population, we are varying session locations. This session will be held in the CRMH Medical Education Building’s Classroom 3. Click [here](#) for more information and the article.

SGEA Faculty Development Resources

The AAMC Southern Group on Educational Affairs Special Interest Group (SIG) is a community with an interest in advancing a specific area within the SGEA where members communicate, collaborate and meet to promote research, and effect or produce solutions within their particular area. The SIG recently put together a fantastic list of [Faculty Development resources](#) that are worth a look by any health professions educator. The resources will serve as a wealth of information for any health professions educator as they explore and identify their faculty development needs. Each module, program or guide includes relevant information regarding medical education scholarship, career development and promotion, mentoring, curriculum design and more. You can also find this list of and other resources on our TEACH website [{LINK HERE}](#).
