

Any time, any place access to  
library resources online.

- ◆ **Sign up at <https://register.athensams.net/chs/>**  
Hint: Use the activation email to set your password.
- ◆ **Sign in at <https://auth.athensams.net/my>**  
Hint: Can't remember your username?  
Just use your email address.

### Save Time

- ◆ Access online resources through MyAthens by clicking the links to individual resources. This will provide the most complete access to full text.
- ◆ When using PubMed and Google Scholar, look for the links to your library to access the PDF or other full text when available.
- ◆ If you do not find what you need or you want further help, contact your librarian.

HERO: One search box, all  
library resources.  
Available now on the  
MyAthens home tab.

### Search Tips

- ◆ Search synonyms or related terms for your subject
- ◆ Refine results with filters and limits (i.e., date)
- ◆ Search the keywords on one article to find more like it
- ◆ Combine terms using AND, OR, and NOT
- ◆ Try wildcard searching (replacing letter(s) with \*)

### Want more information?

Check out <http://libguides.jchs.edu/> for over 70 how-to guides written especially for your information needs,  
or contact a librarian:
