Follow-Up to TEACH Education Day 2016

Rebecca Blanchard, PhD
Director Medical Education & Research
University of Massachusetts

We are extremely grateful to everyone for their support of and attendance at this year's second annual **TEACH** Education Day. To learn more about the day and all the great education scholarship events, click [here](#).

Faculty Highlights

Dr. Shari Whicker
Director, TEACH
Associate Director, OCPD
Carilion Clinic

Congratulations to Dr. Shari Whicker for her invitation to participate on the national Academies Collaborative Steering Committee. The mission of the Academies Collaborative is to foster and champion teaching academies and similar organizations to develop and recognize educators' excellence in the health professions and to foster the development of faculty as teachers and educators. As a member of the Steering Committee, Dr. Whicker will have the opportunity to influence the development of academies on a national level and bring new ideas to enhance the impact and visibility of our very own **TEACH**.

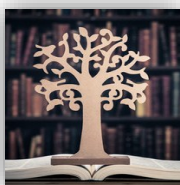

Visit the updated "[Look What Our Educators are Doing!](#)" page for 2016-3rd Qtr scholarly activities.

Check out these brief (1 page) and informative education research articles published ahead of print

Academic Medicine has dedicated this month's Published Ahead of Print section to Last Page articles focused on health professions education research. These one page visual showcasing's are a great resource for anyone interested in education research. Learn more [here!](#)
