### **Look what our educators are doing: Check out our TEACH Member Scholarly Activity!**

A goal of **TEACH** is to help its members develop their skills as education researchers. Actively engaging in research and scholarship is paramount to faculty development and promotion. **TEACH** members consistently demonstrate their contributions to health professions education research through peer reviewed posters, presentations and manuscripts. Head over to the [TEACH webpage](#) to see how members have engaged in scholarly work over the last quarter.

### **2018 Health Professions Educator Series: Join us for next year's sessions!**

We are excited to announce the Health Professions Educator (HPE) Series 2018 schedule. The HPE series includes sessions related to best practices in teaching, educational theory, program planning and assessment, enhancing teaching with technology, and educational research. For a full schedule of 2018 HPE sessions, [click here](#).

### **Flipped Classroom Mini-Series: Register Now!**

**TEACH** has partnered with the Department of Basic Science Education to develop a three session mini-series to help participants build the foundational skills and knowledge necessary for creating a flipped classroom curriculum and to offer practical guidance to apply these new skills to a curricular component. We are offering 3 options to participate in the series. For more information or to register, [click here](#).

### **Learning with Laughter: Holiday Edition**

The holidays can be a busy and hectic time so it is important for us to remember to take a moment to engage in merriment! Sharing a laugh with friends or colleagues can be a great way to fight the stress of the holidays. [Click here for a smile:\)](#)

### **TEACH Member Perks – Get your free coffee!**

Each quarter the **TEACH** member who attended the most OCPD or **TEACH** sessions will be awarded with a Java-the-Hut gift card. So if you are looking for stimulating faculty development and the opportunity to win an extra caffeine boost, join us for as many 2018 **TEACH** sessions as you can! [Click here](#) to see our first winners!

### **GME Core Curriculum: Join us for this co-learning opportunity!**

To help meet new accreditation requirements, the Office of Continuing Professional Development and the Office of Graduate Medical Education have developed a standardized curriculum for all GME trainees and faculty. The GME Core Curriculum is an 8-session series focused on quality improvement and teaching components. All sessions are required for residents and fellows, but faculty are also encouraged to attend.
