Educator Opportunities

Reviewers Needed: Become a Reviewer for BMC Education

BMC Medical Education, an open access journal publishing original peer-reviewed research articles in relation to the training of healthcare professionals, is looking for reviewers. Serving as a journal reviewer is a great addition to your CV, is helpful in the promotion and tenure process, and is a

great faculty development exercise. Interested individuals can email David Musick, PhD to learn more about the opportunity. To learn more about BMC Medical Education and review recent articles [click here!](#)

In Case You Missed It!

Check Out These Videos on the Flipped Classroom Series

Last month marked the end of our three series Flipped Classroom mini-series. For this series, **TEACH** partnered with the Department of Basic Science Education to offer a three session mini-series helping participants build the foundational

skills and knowledge necessary for creating a flipped classroom curriculum and to offer practical guidance to apply these new skills to a curricular component. To see recordings of each mini-series session and learn more about how to flip your classroom, [click here.](#)
